Gentle Beginnings midwifery (GBM) opened in January 2003. GBM is a rural - semi-urban practice that serves a diverse community. The servicing area is located South and East of Ottawa. If you enjoy the quality of life of a rural - semi-urban region; you will love being in this part of Ontario. GBM is near two major cities; Ottawa and Montreal - for cultural activities - and situated in the Valley of the St. Lawrence River which offers many opportunities for outdoor activities such as camping, cycling and hiking.

The practice has three clinic sites: Cornwall, Winchester and Embrun and is composed of eleven midwives who are very supportive as a midwifery team. The midwives of our practice have privileges at the Winchester District Memorial Hospital and the Cornwall Community Hospital. Our practice has great relationships with both hospital teams. We are very involved and respected in both hospitals.

GBM is looking for 1 General Registrant midwife who can join us in the Fall 2022. The practice offers great call schedule that values personal and family time.

The practice is looking for a General Registrant midwife who has an interest in working with a diverse clientele, who's a great communicator, enthusiastic, organized and have a good sense of humor.
