November 11, 2022

## **General Registrant Locum Position- updated**

Midwifery Services of Haliburton-Bancroft is a small rural practice covering a large and beautiful geographical area just south of Algonquin Park. Our practice was established in 2008 to provide care to an underserved population. We have no elective OB in our community and many clients choose home birth as their closest to home option. We have hospital privileges at Peterborough Regional Health Centre which is roughly about 100 km from our clinic site.

We are looking for a general registrant to cover a leave of absence from April 1st, 2023- January 1, 2024. This position however will likely be extended into a more permanent position. There is some flexibility in the start date.

The successful candidate will become the 4th midwife on a 4 midwife team working in a rotation of being on 1st call during week 1 of 3, and off call the 4th week. This on call model offers positive work life balance opportunities with sound collegial support.

If you are interested in joining our team, please send your CV to [admin@mshb.ca](mailto:admin@mshb.ca).

If you would like more information about this position, please contact Rebecca Weeks RM at [rebecca@mshb.ca](mailto:rebecca@mshb.ca).
