HEADWATER HILLS

General Registrant or Locum Position Summer 2023 or flexible start

Background

Midwives of Headwater Hills has been serving Orangeville and the surrounding area for over 10 years. Orangeville has all amenities, yet retains a friendly small-town feel, offers great restaurants and abundant opportunities to experience nature and outdoor recreation. We are within 90 minutes to Toronto, Guelph, Barrie and the GTA. Our hospital is a level 1 that delivers about 900 babies per year with friendly anaesthesia, obstetric and pediatric services. Our homebirth rate is approximately 20%.

Model and Scope

We are a practice of 6 midwives working in a shared care model of two teams of 3. We rotate through a call/clinic/vacation model. Medical inductions are a transfer of care at our hospital. Midwives retain care for epidurals.

Our Values

Our practice has a strong focus on transparency and equality. We have a healthy practice culture of supporting, respecting and caring for each other as peers, co-workers, friends and midwives. We aim to work hard, providing excellent clinical care in a fun and collaborative atmosphere. We are committed to the promotion of informed choice and homebirth.

The Midwife

We are seeking to welcome a new midwife to our practice group in any capacity. We have two traditional planned one year leaves starting in summer 2023 that would offer full time work and caseload if desired. We also have other upcoming needs beyond 2023 and could offer either a short or long term position with our practice. With the scarcity of available midwives in the province, we are open to flexible arrangements and happy to discuss various start dates, durations and creative solutions to collaborate. We seek to attract a midwife who is independent, self-reflective and enthusiastic with strong communication skills and awesome sense of humour. We encourage applicants from all backgrounds, communities and identities.
