### ***Background***

Midwives of Headwater Hills has been serving Orangeville and the surrounding area for over 10 years. Orangeville has all amenities, yet retains a friendly small-town feel, offers great restaurants and abundant opportunities to experience nature and outdoor recreation. We are within 90 minutes to Toronto, Guelph, Barrie and the GTA. Our hospital is a level 1 that delivers about 900 babies per year with anaesthesia, obstetric and pediatric services. Our homebirth rate is approximately 20%.

### ***Model and Scope***

We are a practice of 6 midwives working in a shared care model of two teams of 3. We rotate through a call/clinic/vacation model. Medical inductions are a transfer of care at our hospital. Midwives retain care for epidurals.

### ***Our Values***

Our practice has a strong focus on transparency and equality. We have a healthy practice culture of supporting, respecting and caring for each other as peers, co-workers, friends and midwives. We aim to work hard providing excellent clinical care in a fun and collaborative atmosphere. We are committed to the promotion of informed choice and homebirth.

### ***The Midwife***

We are eagerly seeking a new registrant midwife to begin in summer 2022 with a full waiting caseload and experienced senior midwife support. The position may be extended beyond 1 year if circumstances permit. We seek to attract a midwife who is innovative and enthusiastic with strong communication skills and a good sense of humour. We encourage applicants from all backgrounds, communities and identities.
