K'Tigaaning Midwives is seeking a New Registrant or General Registrant

We are looking for **one** New Registrant or General Registrant midwife to start between July and September 2022.

K'Tigaaning Midwives (KTM) is a small Indigenous focused practice, on Nipissing First Nation, adjacent to North Bay, Ontario. We also have a satellite office in Powassan (not currently in use due to the pandemic), a half hour south in a community which hosts many Amish families. We serve these main communities, and all outlying areas. It is important to us that any successful candidate be comfortable and adept at caring for our many diverse communities, which include BIPOC, Amish, and 2SLGBTQIA folks. A strong grounding in progressive, social justice focused work is a definite asset.

We are 4 midwives who are currently split in 2 teams of 2 midwives . We have approximately a 40-50% out of hospital birth rate with many of those occurring at our lovely clinic. We have privileges at the North Bay Regional Health Center (NBRHC) where epidurals and oxytocin are a transfer of care.

KTM is located 3 ½ hours north of Toronto. It is situated in a region that is considered a paradise for any outdoor enthusiast as we are surrounded by lakes, trails, as well as downhill and cross country skiing facilities. You can still be on call and enjoy a variety of leisure activities. We value work-life balance, and our call models reflect that.

The applicant would be joining a team of two midwives to make a team of three, and be expected to work half to ¾ time. The NR/GR would obtain privileges at NBRHC and would have caseload built for them in advance.

If interested, please contact RM Rachel Dennis Couchie at the email above and cc RM's Audrey tenWesteneind & Emily Chartrand-Hudson at audrey10west@gmail.com and echartrandhudson@gmail.com.

If you belong to any of the above-mentioned communities, we encourage you to self-identify in your application, as we are committed to employment equity and diversity at our clinic.

A. Carbonneau, RM R. Dennis, RM A. tenWesteneind, RM E. Chartrand Hudson, RM
