

Kensington Midwives are Hiring!

We are looking for two New Registrants for the 2022-2023 funding year with a start date in June 2022 (but we are flexible)

Kensington Midwives is located in Kensington Market, serving downtown Toronto. We have privileges at St. Joseph's Health Centre, and the Toronto Birth Centre.

What do we value and believe?

- ❖ We are passionate about informed choice.
- ❖ We believe in Trauma Informed care and preserving the birthing person's autonomy.
- ❖ We are committed to providing out of hospital birth choices and proud to have maintained a respectable out of hospital birth rate of 35%.
- ❖ We strive for a hiring process and structure of practice consistent with an anti-oppression, anti-racist consciousness.

Our Call Model

We work in models of shared call, most recently in groupings of three midwives to a team. The grouping of three has allowed for regular off-call time and flexibility within those teams to plan holidays. However, we know that one size does not fit all, so we are open to new ideas.

We are in unprecedented times with respect to a shortage of midwives across the province and GTA. We know there are many job opportunities to choose from and we hope you will consider joining us! We are looking for new energy and creative input for long term sustainability. We have the funding and we have the hospital privileges for long term job opportunities!

To Apply

If you like what we stand for and are interested in joining us please send us your story and CV and we will be happy to set up an interview with you! Please send in your expression of interest by January 17th at 5pm by surface mail, email, or fax to:
