

Midwives Grey Bruce

MGB is looking for an NR to join our practice in July or December, 2026

Our practice serves a large and diverse catchment area that stretches from the northern tip of the Saugeen Peninsula, along the beautiful shores of Lake Huron and Georgian Bay, south to Kincardine and east to the Beaver Valley. We live and practice in Robinson Treaty and Saugeen Treaty territories and on the traditional lands of the Anishinabek. Our rural setting offers broad clinical experience, high homebirth rates and eligibility for **Canada Student Loan Forgiveness!**

To best serve our region, we have two clinic sites, in Owen Sound and Walkerton. We hold privileges at Brightshores, a level two hospital in Owen Sound, South Bruce Grey Health Services, a level one hospital in Walkerton and Hanover District Hospital, also a level one hospital.

We are a group of 13 midwives (11 GR/2NR) seeking a New Registrant who is interested in providing individualized care to a diverse clientele including a large population of Old Order Anabaptist folk. We strongly support informed choice for our clients and are committed to providing inclusive and culturally safe care. MGB is a dedicated teaching practice that strives to offer students and New Registrants enriching and positive learning experiences including ECVs, breast pump inductions and cervical ripening with foley catheter. We manage epidurals but choose to transfer care for oxytocin to maintain our high homebirth rate of 20-30%.

We are committed to supporting midwives in being their authentic selves and achieving work-life balance. We have a strong sleep relief policy and we stick to it. Midwives at MGB work within a small team, shared care model and enjoy lots of time off per year. We also enjoy the support of a Post Partum Midwife. At MGB we strive to make collective decisions, ensuring that all voices are heard. We are committed to inclusion and diversity and encourage applications from people who identify as IBPOC, LGBTQ2IA+ or diverse abilities.

To apply email your cover letter and CV to us! mgsadmin@rogers.com
