

MIDWIVES GREY BRUCE LOCUM -December 2022

Enjoy working along the shores of Lake Huron and Georgian Bay!

Midwives Grey Bruce is looking for an Insured General Registrant to work a full time locum position in our practice for 1 month starting Dec 5th 2022. (Possibility of locum position being extended if the candidate is interested and needed within the practice.) Locum would be expected to be oncall over Dec 24-26th/22.

We serve a vast catchment area that stretches from Tobermory to Kincardine to the Beaver Valley, including the lands of Saugeen First Nation and Neyaashiinigming (Chippewas of Nawash Unceded)First Nation.

We are a vibrant practice of 12 midwives. Our practice works in a shared care model of 4 teams of 3 midwives. The successful applicant would be joining a team of 2 midwives and would enjoy a call, clinic and days off rotation schedule. Locum would be compensated with 4 BCCs as well as additional supplements for RIO, second care and travel expenses. We have privileges at 3 hospitals including; Grey Bruce Health Services Owen Sound, South Bruce Grey Health Services Walkerton and Hanover District Hospital. We practice in positive collaboration with our obstetrical colleagues and enjoy a healthy home birth rate. At Midwives Grey Bruce, we are committed to recognizing and valuing diversity and equity.

Grey Bruce offers a breathtaking beauty to enjoy as you work and relax! Our Owen Sound clinic is located at the base of the Bruce Peninsula, a UNESCO Niagara Escarpment World Biosphere Reserve and our Walkerton clinic site is in the heart of beautiful Bruce County farmland. As a rural practice, we enjoy breathtaking views as we drive while serving our community. Grey Bruce offers wonderful opportunities for exploring and recreation.
