POSITION FOR GENERAL REGISTRANT

We are looking for a General Registrant to join our practice with a flexible start date. For the right candidate, this could be a permanent position with the opportunity for partnership.

Midwives of Middlesex & Area is located in northwest London with a focus on the surrounding communities of Middlesex county. We are a group of 7 midwives with administrative support 4 days a week. Our clinic uses Accuro as an electronic medical record. In 2018 we moved into a new office with a clinic birthing suite. We have privileges at London Health Sciences Centre (Level 3), where we manage oxytocin and epidurals. There is a large supportive midwifery department and excellent working relationships with the obstetrical and nursing departments.

The successful candidate would be seeking a caseload of 36bcc. Ideally, this candidate would also have experience with oxytocin management, a strong commitment to supporting client choice, and would be comfortable providing care in rural communities.

This is an exciting opportunity to join a supportive and growing practice. Please submit CV by April 30. Only applicants selected for an interview will be contacted.

Thank you for your application.
