## **POSITION FOR NEW REGISTRANT**

We are looking for a New Registrant to join our practice in Summer or Fall 2022. For the right candidate, this could be a permanent position with the opportunity for partnership.

Midwives of Middlesex & Area is located in northwest London with a focus on the surrounding communities of Middlesex county. We are a group of 7 midwives with administrative support 4 days a week. Our clinic uses Accuro as an electronic medical record. In 2018 we moved into a new office with a clinic birthing suite. We have privileges at London Health Sciences Centre (Level 3), where we manage oxytocin and epidurals. There is a large supportive midwifery department and excellent working relationships with the obstetrical and nursing departments.

The successful candidate would be seeking full time caseload. Ideally, this candidate would also have experience with oxytocin management, a strong commitment to supporting client choice, and would be comfortable providing care in rural communities.

This is an exciting opportunity to join a supportive and growing practice. Please submit CV by April 30. Only applicants selected for an interview will be contacted.

Thank you for your application.
