## SEEKING A NEW REGISTRANT MIDWIFE

### RURAL REMOTE MIDWIFERY MAY BE FOR YOU IF YOU ENJOY:

- serving diverse family structures: military, Mennonite, farm families, low-income, newcomers to Canada and Indigenous families, to name a few
- opportunity to form strong client connections, working in a hybrid model
- an easy-going clinic atmosphere with excellent admin support and Accuro EMR & Unite Midwife On Call paging system access
- joining a supportive, respectful and welcoming group of midwives who are deeply committed to ensuring quality care
- outdoor adventure! Bordered by Algonquin Park, the mighty Ottawa River and beautiful rolling hills, our catchment area is home to many rivers, lakes, forests, villages, farmer's markets, and more - offering camping, paddling, hiking and exploring to your heart's content!

### WHEN YOU JOIN MVM, YOU CAN EXPECT:

- a flexible caseload, focusing on a fulfilling work/ life balance
- 8 weeks of holidays and regular off-call time, and trustworthy support so you can truly recharge
- 2 unique clinic sites - in the bustling military town of Petawawa and friendly, quaint village of Killaloe
- 35-45% home births, and a high water birth rate
- benefiting from the experience of a well-established practice (20+ years!)
- many opportunities to learn, grow and serve families in different ways
- strong relationships with community partners
- plentiful, open, prompt and respectful communication
- regular practice meetings to help avoid email landslides

### ADDED PERKS:

- MVM has integrated a regular, 12 month off call, non-intrapartum rotation into our roster. This means midwives spend 18-24 months providing full scope midwifery care in a team model, then rotate into a non-intrapartum position providing collaborative prenatal and postpartum care Monday to Friday, with no on-call expectation, for a period of 12 months.
- Our practice location qualifies for Canada's Student Loan Forgiveness Program! More information at: <https://www.canada.ca/en/services/benefits/education/student-aid/grants-loans/repay/assistance/student-loan-forgiveness.html>
