

Midwives of York Region
Registered Midwives

MIDWIVES OF YORK REGION SEEKS A LOCUM GENERAL REGISTRANT

A position is available for a general registrant, starting date ideally November 2026, with a 14month contract with the possibility of staying longer. The ideal candidate would be working in a team of 2 midwives; however, we are a supportive practice that will try to accommodate your wishes.

We are a group of 12 midwives with MEP and IMPP routes of entry and work on teams, in shared call models and primary care. Our catchment area is York Region, extending from Lake Simcoe in the north to Elgin Mills Road in the south, Highway 27 in the west to Highway 48 in the east. This area is comprised of urban, suburban, and rural communities with a growing multi-cultural population. Our midwifery clinic is located in Aurora. We have a waiting list of people seeking midwifery care for most months.

Our hospital privileges are at Southlake Health in Newmarket. We are a well-established practice with good hospital relationships. We maintain primary care of people with epidural analgesia and oxytocin augmentation /induction. An interest in working collaboratively and desire to contribute positively to inter-professional relationships is essential.

We are seeking an energetic midwife who is keen to share in both clinical and administrative duties. Our midwives are active participants on various hospital committees, community health organizations, and participate in ongoing community outreach.

Please send a letter of introduction and resume to Kristine Reynolds by e-mail to yrmidwives@gmail.com

Thank you for your interest!
