

MIDWIFERY CARE
NORTH DON RIVER VALLEY

General Registrant Position(s)

Midwifery Care ~North Don River Valley is looking for strong, thoughtful and dynamic midwives to join our busy practice. Are you finishing up your NR year or looking to join an expanding practice? We are experiencing an exciting phase of growth and want you to join our team!

We are a busy urban and suburban practice that cares for a wide spectrum of clients and families that include but are not limited to uninsured, Orthodox Jewish, and Korean clientele. We are an active teaching practice with midwifery students, medical students and allied health care providers as learners. We are involved in many forms of non-clinical work including hospital committees, community involvement, and service at both the AOM and Toronto Metropolitan University.

We have full-scope privileges at North York General Hospital where midwives attend 600 births+/year. We enjoy excellent relationships with all the staff and care providers at North York General Hospital, recently ranked as #2 in Canada and one of the top 100 hospitals in the world (as per Newsweek Magazine).

We value a sustainable work life balance for midwives. We have a shared call practice, alternate weekends off and offer generous vacation time. We are offering a one-year contract with the potential for an extension. Start date is flexible.

We are looking for people with strong communication and organizational skills. Individuals with effective problem solving in complex situations balanced with an easygoing personality and a sense of humor are welcome. BIPOC midwives and midwives capable of providing care in languages other than English are encouraged to apply. Resumes are being accepted ongoing.
