## **SEEKING FULL-TIME GENERAL REGISTRANT**

**STARTING MAY 2020**

**(MUST BE AVAILABLE IN APRIL TO MEET CLIENTS AND COMPLETE HOSPITAL ORIENTATION)**

**Midwifery Services of Durham is seeking a full-time General Registrant for spring of 2020. We are a large busy clinic with two offices and we hold privileges at the Markham Stouffville Hospital. We are thrilled to be working with the new Alongside Midwifery Unit (AMU) where hospitalist midwives provide 24hr coverage for backups, labor assessments, antenatal triage, and induction of labor.**

**Our practice provides care within a shared team model, allowing ample off-call time. The AMU provides and fosters an engaging learning environment through midwifery led rounds, free NRP instruction, clinical scenarios through a simulation team and MORE OB. We also commit time at our monthly midwifery division meetings for educational topics and peer review.**

**We are seeking a General Registrant who will enjoy contributing to the growth of the practice and continued development of the AMU. Experience with oxytocin inductions and augmentation and epidural maintenance is an asset.**

**If you consider yourself a strong team player, please email your resume and letter of introduction to:**
