

# Post-Partum Midwife Position

## Midwives of Algoma – Sault Ste. Marie, Ontario

### Responsibilities - Monday 8am – Friday 4pm.

- Call coverage for up to 24 post-partum clients per month (no in-person assessments at night)
- Post-partum hospital/home visits (average 3 per client)
- Post-partum clinic visits 2wk, 4wk, 6 week discharge (or as needed).
- Hospital discharges as required.
- Antenatal appointments – one per client.

### Optional Add-ons

- Backups
- First Assist

### Time commitment

Post-partum care – 24 clients x 6 post-partum visits each x 30 mins per appointment = 16.75h per week + travel time.

Antenatal care – 24 clients x 1 visit each x 30 minutes = 12 h per month = 3h per week

On call time answering post partum pages – variable Monday 8am-Friday 4pm

8 weeks holiday - 40 week days per year. May be taken as block months, individual weeks, or long weekends.

Backups – optional - paid individually on top of base rate at MOH backup rate

First Assist – optional – paid per the MOH schedule 0 rate April –June and the hospital stipend rate July-March

### Compensation

Minimum 3BCC billed monthly (including months with holiday) +20% to benefits/RRSPs (billed as BCCs with benefits funding). Additional compensation for backups and first assist.

### Competency

NRP and ESW to be paid for by the practice. Primary attendance at births available if necessary.

- Must be a member in good standing of the College of Midwives of Ontario.
