

## General Registrant Position, Start October 2026

Are you looking to practice in a supportive, community-focused rural setting? Beautiful rural landscapes within easy access to Hamilton and surrounding communities, Midwives of East Erie is seeking a dedicated GR midwife to join our team.

### **About Our Practice:**

We are a well-established rural midwifery clinic serving a large and diverse catchment area across Haldimand-Norfolk since 2004. Our practice is known for:

- A strong rural community connection
- A high home birth rate (at least 50%)
- Privileges at a Level One hospital with excellent interdisciplinary relationships
- Supportive, collaborative team environment
- Commitment to client-centered, evidence-based care

We use second attendants for support. Our close working relationship with hospital staff ensures seamless care and strong professional collaboration, while our rural setting offers autonomy, continuity of care, and meaningful community engagement.

### **The Opportunity**

We are looking for a motivated, compassionate midwife who:

- Values continuity of care and informed choice
- Is confident supporting both home and hospital births
- Enjoys working in a rural setting with a wide catchment area
- Contributes positively to a collaborative team culture

Office: (905) 701-7428  
Fax: (905) 701-4400

## Why Join Us?

- Balanced, supportive call schedule, shared care with a group of 3 midwives and looking to grow.
- Strong peer support within the practice
- Diverse clinical experiences
- Opportunity to practice in a setting where midwifery is deeply valued
- We have a wait list that can be used for immediate case load
- We are eligible for the rural Canadian student loan forgiveness CSLF

If you are passionate about rural midwifery and are looking for a welcoming, well-supported practice to call home, we would love to hear from you.

If interested please send CV to [info@midwiveseasterie.com](mailto:info@midwiveseasterie.com)

In subject line please put GR.
