Midwives of Muskoka is seeking a full-time General Registrant for a year-long contract starting in Summer 2027, with the potential for a long-term position.

Position Overview:

- Caseload: 30–35 BCC (5 assigned due dates per month)
- Modified Primary Call (teams of 2, alternating primary call and off-call every 4 weeks)
- Start Date: Summer 2027

Now in our 21st year, Midwives of Muskoka is a dynamic practice of six full-time midwives serving a large catchment area from Orillia to Emsdale. We hold privileges at two hospitals—Muskoka Algonquin Health Care (Level 1) and Orillia Soldiers Memorial Hospital (Level 2)—and maintain a strong culture of homebirth (30–40%). Our team works to full scope at MAHC and transfers care for Miso and oxytocin at OSMH. We are supported by strong hospital relationships, excellent nursing staff and dedicated practice admin. We use Accuro EMR charting in the clinic.

We offer built-in caseloads and a supportive mentorship model, including paired support for births until you feel confident and safe to practice independently.

Our call schedule allows for a wonderful work/life balance as you will have nearly 6 months off call per year while still billing 30-35 BCC, while only being on call for 4 weeks at a time.

We are seeking a midwife who is a strong client advocate; who values collaboration and thrives in autonomous practice. What makes our practice unique is our shared passion for the midwifery model of care, our commitment to collaboration and evidence-based practice, and our shared love for a good breakfast! If you are looking for a midwifery community where you can build meaningful connections with co-workers, clients and communities, Muskoka may be the perfect fit for you.

We welcome applications from midwives with diverse personal and professional backgrounds, including Indigenous midwives and those committed to active reconciliation within our practice and local communities. Come and join our team, and live in Muskoka! It feels great to be on call while you are at the lake.

If you are interested in joining our team, please submit your application to admin@midwivesofmuskoka.ca.
