

General Registrant Position

New Life Midwives is taking applications for a **General Registrant**, commencing September 2018

We hold privileges at Lakeridge Health Corporation in Oshawa and Northumberland Hills Hospital in Cobourg, where good relationships are enjoyed between the nursing staff, physicians and midwives. We are a full scope practice and anticipate no problems securing privileges.

While not guaranteed, the successful applicant will likely be offered full caseload.

We are situated in the Durham and Northumberland Hills regions, surrounded by the Oak Ridges Moraine in the north and Lake Ontario in the south. While predominantly urban, our catchment area is a mix of urban and rural geography. **We are a thirty-minute drive to Toronto.**

New Life Midwives works in various call models and allows for ample off call time to enjoy the amenities our beautiful catchment area has to offer and provide a work/life balance. The midwives in our practice are a dynamic, vibrant group of professionals that work collaboratively and whose opinions are valued equally.
