

## Norfolk Roots Midwives seeks NR, GR, or Locum Midwife

~ Starting September/October 2022

### About the contract opportunity:

This is a small practice group currently seeking a fifth Midwife to join our team **for at least 6-7 months, with the hope of staying on long-term.** This role has the option for either shared or primary call. We are accepting applications from locum, general registrant, or new registrant midwives. Our currently available insurance for 2022-23 is for a new registrant, so if you are a general registrant your insurance must already be in place either from another practice, or through the AOM locum program. Please note this is not an AOM funded locum. Pay will be through billable courses of care. Caseload has already been built and awaits your start.

We are a small practice of 4 midwives, all working part-time. We opened in 2016 in the town of Simcoe, ON, near Lake Erie. We have a vision of sustainable practice, supporting healthy midwives and a balanced lifestyle.

### Assets in the Midwife candidate:

- Comfortable with homebirth (we have a high homebirth rate), as well as birth at a level 1 and level 2 hospitals
- Able to apply for privileges immediately at our hospitals
- Enjoyment of rural and small-town practice and community living
- Interest in low intervention midwifery care, promoting normal birth, and supporting clients to make informed choices
- Committed to working together as part of a cooperative midwifery practice
- Experience with Low-German speaking Mennonite culture is a bonus

### About Norfolk County:

Located in southwestern Ontario along the north shore of Lake Erie, Norfolk County is considered Ontario's Garden. Known for its long sandy beaches, beautiful Carolinian forests, fertile fields and farmers' markets, Norfolk County has plenty of activities for recreation and leisure. When choosing a place to reside, there are many small towns surrounded by rural forests and farm area.
