## August 2022 - NR Position

Ottawa South Midwives is looking for a New Registrant midwife for a one year contract. We are looking for a July/August 2022 start date, with caseload beginning in September.

Ottawa South Midwives enjoys full scope privileges (epidural and oxytocin for augment and induction) and good collegial relationships with OB colleagues at the Ottawa Hospital - Civic Campus. We are also proud to offer out of hospital birth at home, and at the beautiful Ottawa Birth and Wellness Centre. We have a 25-30% out of hospital birth rate.

Our practice serves a multi-cultural population in the nation's capital, including many newcomers to the area. Bilingualism is an asset but not required. We are seeking a midwife who values strong teamwork and has a good sense of humour. We are a group of midwives with strong work ethic and excellent clinical and communication skills, and seek the same in a candidate for this position. The successful candidate will participate in community outreach and education, in order to help maintain a high profile for midwifery in our community.

The Ottawa area is a true four-season city, with wonderful outdoor pursuits available year-round, including hiking, fishing, camping, skiing, snowshoeing and cycling. We are a short drive from Quebec with access to the beautiful Gatineau Park. While we work in a primary care model, we prioritize a healthy work-life balance so that you can enjoy your off-call time as much as possible.

Come join a great group of midwives! Please email your resume or questions about this position to [partners@ottawasouthmidwives.com](mailto:partners@ottawasouthmidwives.com), by **January 17th**. Only those we wish we to interview will be contacted. Interviews will be held virtually the week of Jan 24th.
