

Sages-Femmes Rouge Valley Midwives Serving Scarborough, Ajax, Pickering and Whitby

91 Rylander Blvd., Unit 1020, Scarborough, ON M1B 5M5
905-409-6447 or 416-286-2228 fax 416-286-2122

GENERAL REGISTRANT POSITION

December 2021

Sages-Femmes Rouge Valley Midwives (SRVM) welcomes all general registrants seeking a full-time position to apply to our friendly, dynamic and diverse practice. SVRM is a well-established practice, proudly serving childbearing families of Scarborough and Durham region for many years. Language diversity is an asset. The communities we serve are very diverse and have supported our practice since 2004.

We work out of two hospitals, both within a short drive of our clinic: Lakeridge Health-Ajax Pickering Site and Scarborough Health Network—Centenary Site. We enjoy great collegial relationships at both hospital sites. Currently we are managing epidural, but oxytocin augmentation is a work in progress. Our home birth rate is great and is increasing.

We value fairness and equity and offer a full-time caseload (40 CCs+ per year). Our practice has adopted a unique shared care model using teams of two midwives to allow plenty of off-call time (on for a week, off for a week with flexibility within a team). We provide support for our new midwives to ensure a smooth and flawless transition to our community and hospitals. Start time is flexible but no later than May. The position will be a permanent position with possibility of becoming a practice partner.

We are transitioning to a paper-free office and have started the move to Epic. Our office is large and accommodating, with office administration staff that are knowledgeable, friendly, and long-time team members.

We are looking forward to receiving your cover letter/resume and offering an interview to applicants who seem to be the right fit. Please email your intention of interest to heather.srvm@gmail.com or fax it to 416 286 2122. Deadline for applications is December 21, 2021.
