

Uxbridge Community Midwives

Accepting Applications for Full-time New Registrant Position to join our practice June 2019 (can be flexible)

Uxbridge Community Midwives has been serving the communities of York Region and Durham Region since 2008. We are currently seeking a New Registrant for a full-time one-year contract, with the potential for a long-term position, with due dates starting Summer 2019. The ideal candidate will have the knowledge, skills and judgement to provide full-scope midwifery care.

We are a small group of 4 midwives who currently practice in a combination of primary and shared call models which supports generous off-call time and professional development while ensuring client continuity. We are a dedicated teaching practice and have a strong affiliation with the Midwifery Education Program. We also provide strong support and mentorship for our new midwives to ensure a smooth transition.

You will be part of the team that provides care in an innovative and newly approved expanded midwifery care model at Markham Stouffville Hospital. The Alongside Midwifery Unit at Markham Stouffville Hospital opened its doors in July 2018 and we enjoy excellent working relationships amongst ourselves and other health care professionals in a supportive interdisciplinary team.

Application Requirements:

Current certification in NRP, CPR, FHS, and ESW
Strong work ethic and commitment to client-centred care
Committed to evidence-based care and delivering the highest standard of care
Excellent interpersonal skills and communication skills
Willing to contribute to outreach activities and non-clinical duties
