

**Community Care Midwives- Oshawa
General Registrant**

Community Care Midwives in Oshawa is looking for a General Registrant to join our team. We are looking for someone interested in someone that, potentially, will stay and become a permanent member of our group. We have a full caseload waiting for the right individual to step into and provide care.

Our practice serves Durham Region from Bowmanville east to Ajax west and all points in between.

We have full scope privileges at Oshawa hospital where we enjoy exceptional relationships.

Our clinic consists of 9 midwives and 2 clerical staff. We have an amazing call schedule allowing for plenty of off call time for personal time, family and travel if that's your thing. As a group we tend to get together often for laughs and food.

If this sounds like a fit for you send us your resume. We would love to hear from you!
