The Community Midwives of Brantford are looking for a General Registrant or a New Registrant to join our practice. We are offering either a Locum position or possibly a full time position to someone who is interested in settling in Brantford and contributing to the growth of midwifery in our area.

We have a 30-40% home birth rate and have excellent relationships at our local Level II hospital. Our practice now has midwives working in different models of care; some job sharing and some providing primary care. We have great working relationships within the practice and are looking for a positive person to join our friendly and supportive team.

Brantford itself offers the quieter pace of a small city coupled with close access to Toronto, London, Guelph, and Kitchener-Waterloo; as we are in the heart of Southern Ontario. Low housing costs, excellent biking and nature trails, new University and College satellite campuses are just some of the benefits that make Brantford a great place to live.

Interested midwives should forward their resumes to:
