SEEKING ENTHUASTIC NEW REGISTRANT TO JOIN DIVERSE, URBAN CLINIC

Diversity Midwives is just a ten-minute drive from beautiful, scenic Scarborough Bluffs and a twenty-minute drive from downtown Toronto. You can live, work and play in the culturally rich and diverse community of Scarborough!

Our urban practice has been in this community for over 20 years. We receive referrals from local health professionals, as well as community organizations and many repeat clients. We also have many word of mouth referrals and new intakes. Our work environment is a modern, comfortable, and spacious clinic nestled right in between a quiet residential neighborhood and the convenience of bustling Eglinton Ave.

At Diversity Midwives, it is our mission to keep inclusiveness as a top priority. Midwifery is our passion, our love, and our heartbeat. We are a culturally diverse group of midwives serving a wide variety of very diverse clientele; who we find joy in advocating for and empowering throughout this very special season of their lives. We strive to be supportive, compassionate, and encouraging care providers.

Our hospital privileges are held at The Scarborough Health Network, primarily at the General campus where our scope includes epidurals and oxytocin augmentation. We also attend out of hospital births; at home and the Toronto Birth Centre. Diversity's catchment expands from the North to Davis Drive in Newmarket, South to the Scarborough Boundary of Lake Ontario, East to Ajax/Pickering and West to 401 boundary.

We are in an exciting time of growth and expansion! We work in a collaborative shared-care group model. We continually explore alternate practice models and expanded ways to serve our community. We are committed to teamwork that prioritizes a sustainable, healthy, work life balance.

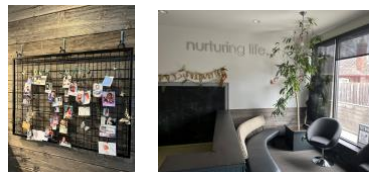

We are seeking someone with a sincere heart for serving a culturally diverse community. This position is for a Full-time New Registrant (36-40 BCC, fiscal year 2025/2026). Clients are already booked into care.

Knowledge of a second language is an asset.
