

East Ottawa  
Midwives

Sages-femmes  
de l'est d'Ottawa

East Ottawa Midwives is interested in hiring a New Registrant for 2021. The New Registrant position is for one year with the potential for extension to a permanent position. Successful candidates will have the option of  $\frac{3}{4}$  time to full time caseload. To be considered for this position, you must be eligible for registration with the College of Midwives of Ontario. Come join a dedicated and dynamic team!

- You will join a team of bilingual midwives, most of whom speak both French and English.
- We provide care to clients in the East Ottawa region and have full-scope privileges at L'Hôpital Montfort, Ontario's Francophone Academic Hospital. Oral French is required for obtaining hospital privileges. We enjoy good relationships with our OBS colleagues.
- We also hold privileges at the Ottawa Birth and Wellness Center.
- We have a hybrid, shared care- primary call model and work collaboratively to support our clients. We offer 6 days off per month as alternating weekends. We also give 6 days dedicated to professional development. Midwives at our practice work  $\frac{3}{4}$  of a full-time caseload (i.e., 30-36 clients per year). The applicant can expect a similar caseload. At this caseload, our RM's enjoy 3 months off per year.
- We serve urban and semi-urban clients from diverse cultural backgrounds.
- We are prioritizing applicants with specific backgrounds and skills:
  - Experience working in a full-scope setting (i.e. management of epidurals and oxytocin augmentation).
  - Ability to provide care fluently in French. Other languages are an asset.
  - Interest in teaching upcoming RM's, and other allied professions.
  - Strong communication skills, patience and flexibility are an asset.

Interested applicants can send a CV and Cover Letter to the attention of:
