

General Registrant Position

East Ottawa Midwives is looking for a General Registrant to join our practice starting anytime in 2023. The locum position is for one year with the potential for an extension to a permanent position. Successful candidates will have the option of $\frac{3}{4}$ time to full time case-load. In order to be considered for this locum, you must be eligible for registration with the College of Midwives of Ontario. Come join a dedicated and dynamic team!

You will join a team of 10 bilingual midwives, most of whom speak both French and English.

- We provide care to clients in the Eastern Ottawa and Prescott-Russell County region and have full-scope privileges at L'Hôpital Montfort, Ontario's Francophone Academic Hospital. Oral French is required for obtaining hospital privileges. For candidates looking to brush up their French language skills, you will be offered a complimentary French Immersion program facilitated by the hospital.
- We also hold privileges at the Ottawa Birth and Wellness Center.
- We are looking for a RM to join a well organized Shared Care model (Continental style 2-2-3) with clinic during off days. Midwives at our practice work $\frac{3}{4}$ of a full time caseload (i.e. 34-36 clients per year). The applicant can expect a similar caseload. At this case-load, our RM's enjoy 3 months off per year.
- We serve urban, semi-urban and rural clients from diverse cultural backgrounds.
- We are prioritizing applicants with specific backgrounds and skills:
 - Experience working in a full-scope setting (i.e. management of epidurals and oxytocin induction and augmentation).
 - Ability to provide fluent care in French.

Interested applicants can send a CV and Cover Letter to the attention of: Human Resources Committee by email to: eastottawamidwives@gmail.com

We value your interest in working with East Ottawa Midwives! Only those selected for interviews will be contacted.
