

Genesis Midwives in Kitchener/Waterloo is seeking a New Registrant or General Registrant to start August/September (flexible start date!).

We are a group of six experienced, reputable midwives who offer a full client caseload and positive working relationships at Grand River Hospital. We work in a 2–3-person shared care model with a week on call and a week of off call/clinic. Each midwife enjoys 8-9 weeks of vacation time/year and a guaranteed caseload of 36BCCs/year.

We have an ethnically diverse clientele committed to low intervention birth, in both the home and hospital settings. Our current scope includes oxytocin for low risk induction/augmentation epidural. As a smaller practice we work together to support individual pursuits and adequate time off.

Our ideal midwife is hard working, flexible, organized and experienced. They balance intelligence with humour, patience and compassion. They have strong clinical skills and an ability to work confidently with a broad cross section of clients in both home and hospital settings. They are committed to working in a low intervention model, with research and informed choice forming the foundation of her work, trusting women and the birth process. Experience with oxytocin induction and /or augmentation and epidural management is an asset, but these are not essential. They are committed to lifelong learning as a midwife and a person. Enjoying a good cup of coffee is an asset!

The Kitchener Waterloo community is vibrant, and diverse, and it is an excellent location, offering a wonderful variety of opportunities. Between 40-90 minutes from Toronto, Hamilton, Niagara, Stratford, London, Barrie and the US border, and with virtually no traffic heading north to cottage country this is an ideal location for those with family or friends around the South Western Ontario region.

We believe this work is both a responsibility and a privilege and we would look for the same in you. We thank you in advance for considering this opportunity.

Resumes can be forwarded to: info@genesismidwives.ca by June 1, 2025.

NB: All applications will be kept in strict confidence.

Those considered for interview will be contacted by phone or email.
