General Registrant Position

November 9, 2018

Sages-Femmes Rouge Valley Midwives (SRVM) invites applications to fill an opening for a General Registrant to join our busy team of midwives serving Scarborough and Durham Region.

SRVM is a long-established practice located in East Scarborough. We have full-scope privileges at four hospital sites: Scarborough and Rouge Hospital's Centenary, Birchmount, and General sites; and Lakeridge Health Ajax. This range of sites encompasses a community hospital with a familiar staff of nurses and physicians, a regional centre for obstetric care, and two hospital sites where we are able to offer hospital waterbirth. We also strongly value homebirth.

We serve a diverse community and have a strong link to the francophone community; therefore, ability to provide services in French is an asset.

You are invited to submit your cover letter and resume as soon as possible by e-mail to heather.srvm@gmail.com or by fax to 416-286-2122.
