

## SECOND BIRTH ATTENDANT

Our practice is looking for a second attendant to assist us at home births!

Second attendants must meet the College of Midwives of Ontario standards, and must have the knowledge, skill and judgment to provide competent, respectful and ethical care. Second attendants provide care only under the direct supervision of experienced midwives.

Second attendants must be willing to complete approved courses in neonatal resuscitation (NRP), cardiopulmonary resuscitation (CPR) and obstetrical emergency skills (ESW or ALARM).

To be considered for the position, the candidate must:

- be a regulated health care professional such as an RN or paramedic
- have experience attending births in a professional capacity
- have a reliable vehicle and immediate availability while on-call

The successful candidate will receive orientation to the role, and be paid for on-call services, births attended and mileage.

We are looking for a candidate to begin in the fall of 2020. The initial contract is for 7 months, with the possibility of a long-term position.

Ideal candidates are enthusiastic, self-motivated, and have excellent communication and documentation skills.
