

General Registrant Position

Community Midwives of Hamilton

356 Main Street West

Hamilton Ontario L8S 3V8

Community Midwives of Hamilton is seeking a general registrant midwife. This is an Associate position with a start date of March 2019.

We offer a positive and flexible work environment with different models of care, including primary and shared care. As a teaching practice all midwives precept midwifery students. We have privileges at Hamilton Health Sciences and St. Joseph's Hospital. Hamilton has a very diverse population and our clinic has partnered with three community health centres, as well as receiving referrals from other community organizations.

Hamilton and surrounding area offers green space, waterfalls, parks and hiking trails alongside a vibrant and re-emerging downtown core complete with restaurants, theatre and a thriving arts scene.

We welcome applications until November 1, 2018. If interested please submit a faxed or emailed cover letter and resume to the attention of Patricia McNiven.
