

Join Our Team as a GR Midwife in Beautiful Brockville, Ontario!

Are you a passionate, dedicated midwife looking for an opportunity that combines professional fulfillment with the serene charm of a semi-rural lifestyle? Look no further! Our midwifery clinic in Brockville, Ontario, is on the hunt for a midwife to join our dynamic team.

What Makes Us Special?

We serve a community which includes a delightful Amish population, hardworking farmers, homesteaders and a mix of blue-collar and white-collar professionals. If you enjoy working in a setting where every birth is unique—and where your charm can engage a community member who might offer you their family pie recipe—this is the position for you!

Why Work with Us?

As we navigate the challenges within the healthcare system, we strive to provide compassionate care to those who need it most. Join us in our mission to make a difference while being part of a community that celebrates life's amazing moments.

About the Role:

Location: Brockville, Ontario – We also serve the Smiths Falls area and everything in between.

Working Model: Currently, we operate under a primary care model—very open to evolving as our team grows! Open to a one year contract or permanent. Those staying past a year are partnered.

Home Births: Experience with home births is a definite asset. Let's be honest: there's nothing like catching a baby while listening to the gentle sounds of nature (or a very enthusiastic goat!)

Collaboration: Work closely with our friendly team and enjoy a solid partnership with Brockville General Hospital for births. We work with qualified second attendants at births in order to try and alleviate the number of midwives up all night!

Ready to Jump In?

If you take your midwifery practice seriously but can appreciate a good laugh (or a pie recipe swap!), send us your resume today! We can't wait to meet you and show you all the joys Brockville and surrounding areas have to offer.
