ATTENTION TO ALL GENERAL REGISTRANT MIDWIVES

FULL TIME AND PART TIME APPLICATIONS NOW BEING ACCEPTED

Gentle Beginnings midwifery is a practice which opened in January 2003. We are a semi-urban, rural practice that serves a diverse community. Our catchment area includes Stormont, Dundas and Glengarry townships. The practice has three clinic sites, one in Cornwall, one in Winchester and one in Embrun. Currently the midwives of the practice have privileges at the Winchester District Memorial Hospital and the Cornwall Community Hospital.

The practice is looking for a general registrant who's able to join us starting March 2021 (start date is negotiable). Off time and holidays will also be established.

We are looking for a general registrant who has an interest in working with a diverse clientele, who is dynamic, enthusiastic, organized and has a good sense of humor. This is a great opportunity for a general registrant who is eager to participate in this growing practice.

Please send your resume and a letter of introduction by fax as soon as possible. Only the applicants being interviewed will be contacted. Thank you in advance for applying.
