Guelph Midwives is accepting applications for the position of

## **General Registrant Locum**

**Start date: February 1, 2026 – July 31, 2026**

We are a well-established, shared care practice with 14 midwives operating out of our clinic in the south end of Guelph, and our satellite clinic located in the heart of downtown Elora.

Guelph is a vibrant university community with interesting arts, nature trails, excellent restaurants, and festivals. Elora is a stunning town known for its unique shops, pubs, the Elora Gorge, and scenic views of the Grand River.

We strive to maintain a healthy, supportive workplace and all our midwives work within teams of varied caseloads and time on call. Our charting is done using Accuro EMR.

We serve a diverse group of families in Guelph, Elora, and surrounding areas including the Mennonite community. We have hospital privileges at Guelph General Hospital and Groves Memorial Community Hospital in Fergus.

We are seeking a General Registrant Locum starting February 1, 2026 – July 31, 2026, seeing clients in both Guelph and Elora. This is a six month contract working in a bipod with three Bcc's per month.
