

embrace beginnings

Hawthorne Midwives is a busy practice that serves the Milton and North West Mississauga community. Our practice focuses on helping to improve access and the provision of care to high social risk clients.

Our clinic is located in downtown Milton with hospital privileges at Milton District Hospital. We practice full scope midwifery and have excellent relationships with the health care team at the hospital and in the community.

We are currently looking for a New Registrant to join our team for the 2021/22 funding year. We are anticipating the COVID pandemic to continue to change the way our care is currently structured, and the number of midwives available to provide care at one time. Normally our practice uses a shared-call model, but this will be in flux during the pandemic.

Hawthorne Midwives serves a diverse community and our goal is to reflect that diversity. A second language would be an asset, especially Spanish, Urdu or Hindi. At Hawthorne Midwives we believe that client care and midwife work balance is enhanced with a collaborative team approach. We are a newer clinic so there is room for innovation and creativity.

We invite resumes and letters of introduction to be submitted by email to info@hawthornemidwives.com no later than February 1, 2021. Please indicate "New Registrant Position" in the subject line. Only successful candidates will be contacted for an interview.

Please visit our website for information about our clinic. www.hawthornemidwives.com
