

March 2026

Congratulations to all New Graduates!!

Hawthorne Midwives is a busy practice that serves the Milton and North West Mississauga community. Our practice focuses on helping to improve access and the provision of care to high social risk clients.

Our clinic is located in lovely downtown Milton with hospital privileges at Milton District Hospital. We practice full scope midwifery and have excellent relationships with the health care team at the hospital and in the community.

We are currently looking for a New Registrant to join our team.

At Hawthorne Midwives, we are deeply committed to supporting our New Registrant as they transition from student to practicing midwife. We understand that this first year is both exciting and challenging, and we have intentionally built a structure that allows new midwives to grow with confidence.

We provide an extensive orientation process, dedicated mentorship and ongoing professional support throughout the year. We prioritize open communication, shared learning, and fostering clinical competence in a supportive and encouraging setting.

Hawthorne Midwives serves a diverse community! . A second language would be an asset especially Spanish, Urdu or Hindi. At Hawthorne Midwives we believe that client care and midwife work balance is enhanced with a collaborative team approach.

We welcome all resumes to be submitted by email to info@hawthornemidwives.com. Please indicate "New Registrant Position" in the subject line.

If you are interested in learning more about Hawthorne Midwives, please visit our website for information about our clinic and team at www.hawthornemidwives.com.

We would love to connect and discuss what working with our team could like for you!
