Taking OFF & Reuse

Face Mask Usage

What You Need For Mask Reuse

Paper storage bag

Face Mask

1. Wash 20 seconds or Sanitize

2. Pinch loops and pull them back and off your ears. Do not let loops touch your face.

3. Pull loops off without touching your face. Remove the mask.

4. Position mask facedown

5. Place paper storage bag on flat surface

6. Place mask facedown into the storage bag. Avoid touching inside or outside of bag.

7. Wash 20 seconds or Sanitize

8. Wash 20 seconds or Sanitize

9. Remove mask from the storage bag. Avoid touching inside or outside of bag.

10. Put on mask ensuring nose and mouth covered.

11. Wash 20 seconds or Sanitize
