About Us

Founded in 1989, KCM is a dedicated practice of 8 IMPP and Ontario MEP midwives whose rich diversity of experiences, outlooks, and skills are grounded in a strong shared commitment to informed choice and service. We have a out-of-hospital birth rate between 20-30% and maintain a small birthing suite in our clinic, which is located in a Victorian house in central Peterborough. We have admitting privileges at PRHC, where we are actively moving towards full scope and where we have good working relationships and share many laughs with our nurses and consultant OBs. Our catchment area encompasses Peterborough city, many small heritage villages, farmland, and Curve Lake and Hiawatha First Nations.

Peterborough-Nogojwanong is located on traditional Michi Saagig territory and is growing into a diverse, progressive community. Peterborough has thriving live music and arts scenes and our downtown boasts great coffee, great farmers markets, and great restaurants. The surrounding countryside is incredibly beautiful, with easy access to conservation areas, provincial parks, and many rivers and lakes for people who enjoy spending time in nature.
