General Registrant Locum Position Available Flexible start date

Lincoln Community Midwives is a well-established and growing practice that serves families in the Niagara West Region. We are a full-scope practice that is committed to a collaborative, client-centre model of care that values efficiency. We work in a team approach with three midwives per team which facilitates continuity of care as well as work-life balance. Our call rotation works on a three-week rotation as follows:

Midwife A	Week 1	Call Monday 1600-Friday 1600
Midwife A	Week 2	Clinic Tues & Wed, on call Friday 1600-Monday 1600
Midwife A	Week 3	OFF

Our successful applicant will have a supported transition into the community and an established caseload. There is a high likelihood of a permanent position being offered beyond the agreed upon locum length.

We currently hold privileges at West Lincoln Memorial Hospital (WLMH) site of Hamilton Health Sciences. WLMH is a Level 1B hospital; we have 3 Obstetricians, FP anesthetists and a large complement of FP who provide care in various aspects of the hospital. We have excellent working relationships at our hospital and enjoy working collaboratively with our hospital peers. We have a robust homebirth community with an annual average of 27% homebirths.

Our practice in the Niagara West Region is nestled between Lake Ontario and Lake Erie. The area is known for its wine and tourism. We are very close to other urban areas like Hamilton and Toronto. Living here allows the best of both worlds – proximity to the outdoors (Niagara Escarpment has beautiful trails) while being close to urban amenities like an airport!

Lincoln Community Midwives seeks candidates with strong clinical skills, including epidural and oxytocin management, while also valuing organizational, communication and interpersonal skills. A knowledge of the Epic EMR charting system would be an asset. We strive to preserve the sustainability of our practice by providing support for each other to achieve safe clinical care including sleep relief.

If you are interested in applying for this position, please send your CV and cover letter to admin@lincolnmidwives.com. We are hoping to have a start date as soon as possible.

We will keep this ad active until the position is filled. We look forward to hearing from you!
