BECOME PART OF A **UNIQUE COLLABORATION** THAT JOINS OBSTETRICS,
MIDWIFERY CARE, AND OUR EXPECTING AND CONNECTING PROGRAM.

A **caseload of clients** ready for you to take over!

OUR PRACTICE

- This practice consists of three midwives practicing full scope of care. A fourth midwife runs our Expecting & Connecting program. There is a full-time office administrator and part-time office assistant.
- Our practice is based on a shared care model; however, we are open to working in a primary care model. We have a strong commitment to excellent community relations and believe in balancing work and personal time. We are an evidence-based practice.
- We serve both rural and urban client bases, 80% of client population come from the OMP defined special needs population.
- Our office has two clinic locations; one is in the city of Windsor and the other location is in the town of Leamington.
- We are part of an inter-professional mentoring program with the Nursing Department at University of Windsor

HOSPITALS

- Hospital privileges are at Windsor Regional Hospital (Level II) and Erie Shores HealthCare (Level I) with an obstetrician but no pediatrician.
- Both hospitals require all staff to be fully vaccinated for Covid-19. Privileges will not be granted without proof of two Health Canada approved vaccinations.

CANDIDATE

A sincere and dedicated hard worker, with a sense of humour, an appetite for good food, and an interest in inter-professional collaboration. Must also be committed to balance – prioritizing quality care and sustainable lifestyle.

WINDSOR-ESSEX COUNTY

The city of Windsor is the southernmost city in Ontario and is located across the river from Detroit, Michigan. Amenities across the border include a Zoo, art gallery, symphony, major sports and concert events, science center, and the world's largest African American History Museum, among many more. Our city of Roses has become one of the best places to enjoy pizza in North America, with our Windsor Style Pizza. Come on in and we can share a slice of pie!

Leamington's main attraction is Point Pelee National Park with its unique species, kilometers of waterfront parkland and walking trails, conservation areas, marina and recreation complex appeal to the outdoor enthusiast and those looking for a healthy lifestyle. Leamington is about 30-45 minutes from Windsor. Windsor-Essex County has many tourist attractions all year round, such as entertainment, outdoor adventuring, arts & is one of the most culturally diverse cities in North America.
