WINDSOR-ESSEX COUNTY

Our office has two clinic locations, one is located in the city of Windsor the other location is in the town of Leamington.

The city of Windsor is the southernmost city and is located across the river from Detroit Michigan. Leamington has the longest growing season in Canada, a beautiful national park and is about 30-45 minutes from Windsor. Windsor-Essex County has many tourist attractions all year round, such as entertainment, outdoor adventuring, arts & culture, and so much more!
