Job description:

Midwifery Collective of Ottawa is seeking one **General Registrant** with a flexible start date from February to May 2021. This is a 6-to-12-month (negotiable) position covering a parental leave with the high potential of permanence depending on fit.

The Clinic:

The Midwifery Collective of Ottawa is an urban based practice serving Ottawa and surrounding areas. Our clinic is located in central-west Ottawa and is easily accessible by car and public transportation. We serve a diverse client population. We have a high rate of planned out of hospital births, along with full scope of practice including oxytocin and epidural management. We have privileges at The Ottawa Hospital- Civic Campus and the Ottawa Birth and Wellness Centre.

Call Schedule & Team Work:

We work in mixed call models with midwives working in both primary and shared call and have flexibility for the right candidate to work in either model. We are a supportive team where all midwives work well together and assist each other & strive towards collective decision making where everyone's voice matters.

The Midwife:

The successful midwife should bring energy and enthusiasm to their work. They should have excellent clinical skills, be passionate about informed choice and feel comfortable supporting clients who may choose care outside community standards. They should work well as part of a team and have excellent communication and documentation skills.

Fluency in French, or another language would be an asset, but is not required. Indigenous, BIPOC and/ or LGBTQ+ midwives are especially encouraged to apply.
