

Midwives Grey Bruce

Seeking a locum to join us in beautiful Grey Bruce for 28 days between December 2024 and March 31st 2025.

Midwives Grey Bruce (MGB) is a dynamic and busy rural practice, serving a vast catchment area that stretches from the northern tip of the Saugeen Peninsula, south to Kincardine and east to the Beaver Valley. We are living and practicing in Robinson Treaty and Saugeen Treaty territories and on the traditional lands of the Saugeen Ojibway.

We are 11 midwives looking for a locum midwife to provide vacation coverage on a shared care team of 4. Our team is supported by a Postpartum Midwife during most weeks.

We care for a diverse clientele with a 27% home birth rate. Experience with the anabaptist community is an asset. We strongly support informed choice for our clients. We are committed to providing inclusive and culturally safe care. MGB is a dedicated teaching practice that strives to offer students enriching and positive learning experiences.

To best serve our region, we have two clinic sites and hold privileges at three hospitals. Our main clinic is in Owen Sound, a small city with a level two hospital. We also hold privileges at two level one hospitals in Hanover and Walkerton. Our second clinic site is in the small town of Walkerton to support clients in the southern part of our catchment area.

We are committed to supporting midwives in being their authentic selves and achieving work-life balance. As such, midwives at MGB work within a small team, shared care model. We put large effort into our clinic culture. At MGB we strive to make collective decisions, ensuring that all voices are heard.

We are committed to inclusion and diversity and encourage applications from people who identify as IBPOC, LGBTQ2IA+ or having a disability.

To apply, please fax or email your cover letter and CV to us.
