

Midwives Grey Bruce

July, August and September, 2025

Midwives Grey Bruce (MGB) is a dynamic and busy rural practice, serving a vast catchment area that stretches from the northern tip of the Saugeen Peninsula, south to Kincardine and east to the Beaver Valley. We are living and practicing in Robinson Treaty and Saugeen Treaty territories and on the traditional lands of the Saugeen Ojibway.

We are 11 midwives looking for a locum midwife join a shared care team of 3. Our team is supported by a Postpartum Midwife during most weeks. Summer is the best time of year to live and work in our catchment.

We care for a diverse clientele with a 27% home birth rate. Experience with the anabaptist community is an asset. We strongly support informed choice for our clients. We are committed to providing inclusive and culturally safe care. MGB is a dedicated teaching practice that strives to offer students enriching and positive learning experiences.

To best serve our region, we have two clinic sites and hold privileges at three hospitals. Our main clinic is in Owen Sound, a small city with a level two hospital. We also hold privileges at two level one hospitals in Hanover and Walkerton. Our second clinic site is in the small town of Walkerton to support clients in the southern part of our catchment area.

We are committed to supporting midwives in being their authentic selves and achieving work-life balance. As such, midwives at MGB work within a small team, shared care model. We put large effort into our clinic culture. At MGB we strive to make collective decisions, ensuring that all voices are heard.

We are committed to inclusion and diversity and encourage applications from people who identify as IBPOC, LGBTQ2IA+ or having a disability.

To apply, please fax or email your cover letter and CV to us.

265 8th St E, Owen Sound, ON N4K 1L2
