New Registrant Midwife (2026)

Mountain Midwifery Care | Hamilton, Ontario

EDD Start Date: September 2026

Come Grow With Us

Mountain Midwifery Care is a well-established, full-scope midwifery practice in Hamilton, Ontario. Our experienced and collaborative team is deeply rooted in the community and holds privileges at St. Joseph's Healthcare Hamilton (SJHH). We value strong relationships with nursing, obstetric, and hospital leadership colleagues and are committed to compassionate, high-quality, evidence-based midwifery care. Our midwives actively contribute to the profession through hospital and midwifery committees, precepting MEP students, and supporting MEP workshops. We work from a beautiful modern clinic and are fully integrated into the e-referral community using Accuro EMR and EPIC at hospital sites.

The Opportunity

We are seeking a New Registrant Midwife to join our practice full-time for the 2026 year, with 36–40 BCCs annually and EDDs beginning September 2026. We would expect a motivated team player with strong communication skills and full-scope experience. Dedicated mentorship and support are provided throughout the New Registrant year. For the right candidate there is a possibility of ongoing caseload beyond the NR year.

What We Offer

- 36–40 BCCs per year
- Caseload is built by the midwifery practice
- Shared-care or primary-care model
- 8 weeks of vacation annually
- Very generous sleep and relief policy
- Supportive, collegial team culture
- Strong mentorship and modern clinic environment

Why Hamilton?

Hamilton is a vibrant and rapidly growing city with a diverse culture, abundant green space, over 130 waterfalls, and a thriving arts and food scene—offering an exceptional balance of work and life.
