Position

Our practice is seeking a General Registrant locum to join our team. The position is very flexible and can be part time or full time. Model and caseload can be discussed and is negotiable. If you are a midwife looking for flexibility this may be a perfect fit. Start date is flexible. Orientation will be provided to both clinic and hospital settings. The position is flexible and can start immediately. We have a large waitlist and caseload would be filled upon contract signage. Currently we work in shared care models of both 2 and 3 person teams. We rotate between on call/clinic and holidays. We offer generous amounts of holidays (~17 weeks/year based on 36 bcc)

We encourage applicants from all backgrounds, communities and identities.
