

Midwives of Brampton
& Halton Hills

General Registrant Positions (2)

Background

Midwives of Brampton and Halton Hills is a well established practice that has serviced clients in the communities of Brampton, Georgetown, Milton, Erin, Hillsburgh and Acton since 1994.

Our clinic is located in Georgetown. We serve a diverse population, providing unique, client centred care.

Hospital/Home

We hold privileges at Brampton Civic Hospital, where we practice full scope. Our home birth rates are ~15-20%.

Position

Our practice is seeking 2 General Registrants to join our team. The positions will be a 1 year contract with the possibility of ongoing contract or partnership thereafter. The positions are flexible and can start ASAP. We have a large waitlist and caseload would be filled upon contract signage. Clinic and orientation would ideally begin 1 month prior to caseload being booked. Currently we work in shared care models of both 2 and 3 person teams. We rotate between on call/clinic and holidays. We are offering positions that are part/full time and we are open to discussing all models of care. We offer a generous amount of holidays (~17 weeks holiday/year based on 36bcc).

We encourage applicants from all backgrounds, communities and identities.

Please send CV to georgetownclinic@mobhh.ca with "General Registrant position" in the subject line. Potential candidates will be contacted for a virtual interview.
