

We are now accepting applications for the position of

New Registrant Midwife

Start date: Fall 2026 (flexible)

Midwives of Brampton and Halton Hills is a well-established practice of 8 midwives who have provided care to clients in the communities of Brampton, Georgetown, Caledon, Bolton, Erin and Hillsburgh since 1994.

Our clinic is in Brampton Ontario. We hold privileges at Brampton Civic Hospital, where we practice full scope (manage epidurals and oxytocin). Our home birth rates are ~10-15%

We strive to maintain a healthy supportive workplace. Our midwives work in primary and shared care models with varying caseloads. Our charting is done using Oscar EMR and our hospital is transitioning to EPIC in 2026.

We serve a diverse group of families and are strongly committed to promoting individualized care to low risk clients, informed choice and supporting out of hospital births.

The position will be a 1-year contract with the possibility of an extension thereafter. The position would start with a 1-month orientation/clinic period and full caseload of 35 after. Ideally the candidate would start orientation in July/Aug 2026, although this date is flexible.

We encourage applicants from all backgrounds, communities and identities.

Please send your letter of interest and CV to:

Partners@mobhh.ca

We plan interviews after March 6/26.

Only those candidates selected for an interview will be contacted.
