

Midwives of Brampton  
& Halton Hills

## *2 New Registrant Contracts Available Fiscal 2023-2024*

### **Background**

Midwives of Brampton and Halton Hills is a well established practice that has serviced clients in the communities of Brampton, Georgetown, Milton, Erin, Hillsburgh and Acton since 1994.

Our clinic is located in Georgetown. We serve a diverse population, providing unique, client centred care.

### **Hospital/Home**

We hold privileges at Brampton Civic Hospital, where we practice full scope. Our home birth rates are ~15-20%.

### **Position**

Our practice is seeking 2 New Registrant applicants (budget pending) to join our team. The position will be a 1 year contract with the possibility of an on going contract or partnership thereafter. Pending funding approval, the positions would start in July, with full caseload booked. Clinic and orientation would ideally begin in June. These dates are flexible. Currently we work in shared care models of both 2 and 3 person teams. We rotate between on call/clinic and holidays. The positions would ideally be a shared care model but we are open to discussing all models of care. We offer a generous amount of holidays (~17 weeks/year based on 36 bcc in the 3 person model)

We encourage applicants from all backgrounds, communities and identities.

Please send CV to [georgetownclinic@mobhh.ca](mailto:georgetownclinic@mobhh.ca) with "New Registrant position" in the subject line. We plan interviews in January/February 2023. Potential candidates will be contacted for a virtual interview.
