

## Madawaska Valley Midwives

---

### **Urgently Seeking General Registrant locum**

**- August 15 to October 31, 2021 -**

**Some flexibility with start and end dates**

We're looking for a GR Midwife to help us through a trying time. A much beloved teammate has taken a fantastic job opportunity in her home community in the north and we are looking for somebody to fill a gap between her leaving and her replacement starting. During this time we offer regular time off-call, minimum 7 bcc's, phone stipend, hospital parking pass and small stipend towards accommodation/relocation.

We are a rural/remote practice with caseload for 5 midwives. Our midwives work in two teams in a shared care model with one week on-call and one week off-call with clinic duties (2-3 clinic days/wk).

We have privileges at Pembroke Regional Hospital (level 1). Pembroke Hospital currently has 4 OB's and participates in MOREOB. We work in full scope with a collegial relationship with the obstetrical team.

MVM has 2 unique clinic sites. We work out of a busy medical clinic in Petawawa (75% client base) and out of a Community Resource Centre in Killaloe (25% of client base). Our homebirth rate is 30-40%. The on call schedule is week on-call/week off-call with clinic ( 2-3 weekly clinic days).

The right candidate will be an energetic individual who is committed to rural women's health, display excellence in clinical skills and be comfortable with homebirth at a distance from hospital. With our large catchment area and 2 clinic sites, clear communication and organization skills are depended on. We use Accuro EMR and will provide a laptop for your use during the locum.

MVM has a commitment, both to our clients and within our practice, to foster a supportive and respectful working environment. We welcome a positive outlook and a sense of humour.

*Great opportunity to experience living in beautiful rural eastern Ontario.*

Bordered to the east by the Ottawa River and to the west by Algonquin Park, our catchment area is vast and the Midwives do lots of driving, in all types of weather. It's important to be comfortable with rural driving and winter driving conditions. Renfrew County is beautiful rolling countryside, full of lakes, rivers, and forests with lots of outdoor recreation opportunities. Our small urban centres include Petawawa, Pembroke and Renfrew and our sweet little towns include Deep River, Beachburg, Burnstown, Eganville, Killaloe and Barry's Bay just to name a few. We have an array of entertainment and shopping opportunities, including vibrant farmer's markets.

**Please direct your inquiries to Leslie Soopalu, Practice Coordinator**
